

Yes, this story is not written YET.

Yes, I know. It's almost as disconcerting  
as the situation above

However, there is something you can do (and it  
doesn't involve a steampipe.)

If you'd like to "*encourage*" Mary to write this,  
please send a pleading | cajoling | begging note  
to: [blueboxersandbeyond@gmail.com](mailto:blueboxersandbeyond@gmail.com)  
and I will use it to ~~guilt~~ motivate her.
